Toolbox KITS

Crew handout

# Fire drills: know the alarm, know two exits, get counted

29 CFR 1910.38, 1910.37, 1910.36, 1926.35

## Do

- Know what the fire alarm sounds like
- Know two exit routes from your work area
- Keep exit routes clear at all times
- Make work safe only if it takes a moment, then leave
- Walk to your meeting spot and be counted
- Tell your supervisor if someone is missing
- Know who helps others evacuate
- Read the emergency action plan

## Don't

- Do not stack materials in an exit route, even for a short time
- Do not cover exit signs or exit doors with decorations
- Do not stop for personal items
- Do not use the elevator
- Do not go back inside until told it is safe

SAMPLE

**Remember** **Know two ways out and where to meet.**
