MODULE 1

# The hazard: rush, travel, heat and water

| What can go wrong | What prevents it |
|---|---|
| **Rushing to finish before the break** | Plan the last shift, let unsafe tasks wait |
| **An unsecured site over the weekend** | Secure the site and walk it on return |
| **A tired or impaired driver** | Rest, route plan and sober rides |
| **A grill fire** | Grill outdoors, never unattended |
| **Heat illness, sunburn or a water accident** | Water, shade, hats and never swim alone |

# Memorial Day safety: finish, secure, travel, return

29 CFR 1926.21, 1926.20, 1926.51, 1910.37, 1904.35, 1910.157

## Do

- Plan the last shift so nobody rushes
- Leave the site secure and walk it on return
- Drink water often and take breaks in the shade
- Wear a hat and sunscreen
- Get rest and plan your route before you travel
- Grill outdoors on a flat surface and never leave it
- Never swim alone or after drinking
- Keep exits and extinguishers clear

## Don't

- Do not skip the last inspection
- Do not leave a trench or opening unmarked
- Do not drive tired or after drinking
- Do not grill on a wooden deck or near a building
- Do not ignore heat illness signs

SAMPLE

**Remember** **Finish safe, travel safe, return safe.**
